PRESIDENT'S LETTER

This year, Piedmont Care continues to assist hundreds of people living with HIV/AIDS through critical services like medical care, medication assistance, case management, mental health care, and oral care – just to name a few. In order to meet the growing needs of our clients, we have added new staff and we continue our focused prevention efforts across Spartanburg, Cherokee and Union counties through testing and education.

Prevention is essential for public education, treatment expansion, and ensuring that all people living with HIV/AIDS can lead healthy and productive lives. We must empower our community to make good choices to protect themselves and their loved ones. 2018 marks the 30th anniversary of World AIDS Day (December 1). This year's theme is "Know your Status," a plea that Piedmont Care has resounded for over 20 years. We are on a mission to reach people who do not know their status, and we're here to deliver linkage to quality care if needed.

The numbers are clear: Piedmont Care provides life-saving medical and prevention services. If you have not made your contribution to Piedmont Care this year, please consider a gift. We CAN win the fight against HIV/AIDS – but only with your support.

Sincerely,
Jonathan Walker, President

Piedmont Care is a non-profit 501(c)(3) organization. Gifts to Piedmont Care may be tax–deductible.

Staff News

By: Trista Anderson, *Case Management Supervisor*

Piedmont Care has recently added two new staff members.

Abby Floyd, Medical Case Manager, joined Piedmont Care in August 2018. She earned her bachelor's degree in Biblical Studies from Milligan College in 2015. In 2017, she moved to the Spartanburg area to serve as an AmeriCorps VISTA with Access Health. We are excited to have her on our team. Welcome, Abby!

Megan Mitchell, Office Manager, joined the staff of Piedmont Care in September 2018. She earned her Bachelor of Science in Business Administration from Kaplan University in 2012. Megan comes to us from DHEC where she was the Administrative Supervisor in the Preventive Health and Immunization Department at the Spartanburg County Health Department. We are pleased to have her join our team. Welcome, Megan!

A few words from our clients…

"Everyone is always so good at helping us out. I don't know what I would do without y'all."

"I love that we have the support group. The group sessions allow you to communicate and meet people in the same situation and not be judged."

"I'm happy with the service I received. They treat me very well and they always make me feel good when I leave the office."

Two Decades of Care

In a geographic area where sexual health stigma is very much rampant, Tracey Jackson is a dedicated warrior in the fight against HIV/AIDS.

As the Executive Director of Piedmont Care, Inc., Tracey has worked tirelessly for 20 years dedicating her time and voice to raising necessary funds and awareness for HIV/AIDS prevention and treatment for those living right here in the Upstate.

At this year's Twisted Trivia event, attendees joined the Board of Directors in recognizing Tracey for two decades of support, advocacy, and care.

Impact Stories

Overview

Piedmont Care provides HIV care, prevention, and advocacy in Spartanburg, Cherokee, and Union counties of South Carolina. Piedmont Care's services for people living with HIV are free and funded through the Ryan White Care Act, Housing Opportunities for People with AIDS, and other federal and local sources.

Milestones

Served more clients than ever before.
630 (7% Increase)

Added case management offices
in Union County and Cherokee County

Path to Prevention

In 2004, Piedmont Care created an HIV prevention program in response to identified community need. Since that time, our programs have grown in both impact and quality. Preventing the spread of HIV requires a comprehensive strategy that includes effective, sustained health education and health promotion programs.

Our Goal

To reduce the risk of individuals becoming infected with HIV or, if already infected, infecting others.

Prevention Services

- HIV Testing & Counseling
- Linkage To Care
- Partner Services
- Community Condom Distribution & Education
- HIV & STD Education
- Special Events, such as World AIDS Day Recognition

These services are ***FREE and CONFIDENTIAL***.

Volunteer Spotlight

Kate McAlister selflessly uses her days off from work to donate time to Piedmont Care. She keeps us well stocked on red ribbons and goody bags so that we're always prepared to bring awareness and distribute prevention supplies and information throughout the community. On occasion, she brings friends to assist her, doubling her productivity and allowing them opportunities to learn more about the scope of our prevention services. Kate also promotes Piedmont Care independently by spreading the word about us while educating friends during nights out or at LGBT events and attending our fundraisers. Thank you, Kate, for the various ways you support Piedmont Care's mission.

Our Mission

The mission of Piedmont Care, Inc., an educational and advocacy organization, is to coordinate and provide medical, social, and psychological services for individuals and families affected by or at risk for HIV.

Care Services

HIV knows no boundaries. HIV can infect men, women, and children of any age, race, or ethnicity. With the development of treatments and increased knowledge, more people living with HIV/AIDS will live longer and fuller lives. Piedmont Care is best known for providing essential, life-saving services to people living with HIV/AIDS in our community. Since 1994, we have served more than 1500 people living with HIV/AIDS and their families in Spartanburg, Cherokee, and Union counties.

If you or someone you know is living with HIV/AIDS and needs help or more information, please call us. All information is strictly confidential.
